Torn down

1934 WPA Census of Old Buildings in Connecticut Survey at the Connecticut State Library Digital Collection. Slide # 60

1780 Deming Road, first house on left from Worthington Ridge Road

Wood house with gambrel room, brick chimney, story and a half, small one story ell on east rear with new chimney. Two windows right of front entrance. There are three new tall chimneys of brick, but the end chimney on the west end of the house appears to be original. New frames, sash were put in. Interesting gambrel roof. Upper slope of gambrel is very flat.
